

OUR PARTNER

Established in 2016 by a group that has been dedicated to the equipment industry for over twenty years, Maverick specifically delivers to machinery solutions used in environmental applications; including Aggregate Processing, Waste Recycling, Forestry and Biomass. They are proud partners of industry leading brands like MWS Equipment, providing customers with top-of-the-line washing equipment.

MARKETS

Our exclusive MWS partners are represented in the states of Ohio and Michigan.

APPLICATION SUPPORT

Maverick have a dedicated team of wet processing expertise both in application and field service ready to support you.

AFTERSALES

Maverick operate with fully trained service & support team ensuring customers receive OEM level support locally. All equipment sold has critical spares held locally & at the MWS factory.

TESTIMONIAL

"MWS Equipment are at the leading edge of modular and portable wash plant equipment design. The application knowledge, the attention to due diligence and the after sales support and commissioning are all key factors in Maverick's partnership with MWS Equipment." *Craig Rautiola, Senior Process Engineer, Maverick*
