

OUR PARTNER

McCloskey

EQUIPMENT

McCloskey Equipment is one of the largest suppliers of new and used mobile crushing and screening equipment in the UK, providing a complete range of Crushers, Shredders, Screeners, Trommels, Stackers and Washing Systems.

Collectively, McCloskey Equipment offers over 100 years of experience of machinery and processing in every application, including the quarry and recycling industries. This includes parts distribution, mobile servicing and machinery overhaul within fully equipped workshops. A wide range of industries are supported by McCloskey Equipment, including aggregates, landscaping, infrastructure and road building, construction and demolition, mining, waste management and recycling.

MARKETS

Our exclusive MWS partners are represented in Scotland and the South of England.

APPLICATION SUPPORT

McCloskey Equipment have a dedicated team of wet processing expertise both in application and field service ready to support you.

AFTERSALES

McCloskey Equipment operate with fully trained service & support team ensuring customers receive OEM level support locally. All equipment sold has critical spares held locally with the additional volume held at the MWS factory.

TESTIMONIAL

"MWS Equipment is at the forefront of the Materials, Mining and Minerals industry and its new branding reflects its leading position. We are proud to partner with MWS Equipment, as we both share the same focus on delivering the highest quality, and highly productive products to our customers. "*Noel McCloskey, Director*"
