

## OUR PARTNER

# EQUIP2

PROCESSING SOLUTIONS

With over 50 years' experience in the earthmoving industry and armed with the knowledge of what effect downtime can have on any operation, Equip2 are committed to bringing you the best service provided in the industry. Equip2 are an experienced, proactive and dynamic company that always holds their core values, which they class as being critical to success. Equip2 work with reputable brands and partnering with MWS will accompany a high market share in New Zealand.

### MARKETS

Our exclusive MWS partners are represented in the South Western Pacific Ocean, New Zealand

### APPLICATION SUPPORT

Equip2 have a dedicated team of wet processing expertise both in application and field service ready to support you.

### AFTERSALES

Equip2 operate with fully trained service & support team ensuring customers receive OEM level support locally. All equipment sold has critical spares held locally with the additional volume held at the MWS factory.

## TESTIMONIAL

"The team at MWS are great to work with, very responsive and helped us break into the New Zealand market and navigate the process. The experience that we have with the technical support and application expertise from MWS make us a strong partnership."

*Bert Hart, Owner*
