MWS EQUIPMENT ANNOUNCES NEW PARTNER IN SCANDINAVIA

DGM Join MWS Global Dealer Network

COALISLAND, NI – 2nd August 2021—Smarter washing solutions specialist, MWS Equipment continues its global expansion with the appointment of Northern Europe based DGM as the official distributor of MWS washing equipment in Denmark. Focused on providing complete project management services, DGM are the perfect partner to support MWS Equipment’s ongoing commitment to the European market.

DGM has specialised in supply of equipment, complete plants and services for the aggregate, construction, mineral processing, and concrete and asphalt industry for 50 years. DGM became part of the German Lutze Group in 2020. Lutze Group has been established in Denmark since 2019, and is represented in 6 countries.

The Lutze Group offers a comprehensive product and service program in Northern Europe with modern service facilities and offices in Germany, Belgium, the Netherlands, Denmark, Sweden, and Norway. Able to meet customer demands for innovative solutions and services, Lutze Group’s high-quality standards, as well as the years of cooperation and partnership with customers, are paramount into its success in the market.

Highly Professional and Dedicated to Customer Support

Ben Frettsome, Product Line Director, MWS Equipment, commented: “We are very excited by the appointment of DGM as our dealer partner in Denmark. They have specialist capabilities with the ability to work with customers to identify issues and develop a solution that improves productivity of the wet processing plant.”

“The DGM team’s priority is to support the customer at every level of their ownership experience and the company’s commitment to provide a class leading level of aftersales support will contribute to growth in the Danish market.”

Commenting on the recent announcement as MWS partner in Denmark, Leif Ivansson, Director, DGM noted, “We’re excited to partner with MWS Equipment and are looking forward to growing our relationship. Providing our customers with the best wet processing equipment for their operations is our priority. MWS have a reputation for quality products
